

STUDY ISLAND

ACCESSING THE BENCHMARK TEST

1. Go to your building homepage and click on the Study Island icon
2. Log into Study Island
 - a. Username → Novell username plus **.swsd**
 - b. Password → Novell password
3. Once logged into Study Island, students will see the screen below
 - a. Approximately 60 minutes is required
 - b. If a calculator is permitted for math, a message will indicate that is so
 - c. Begin by clicking on **PSSA Benchmark**

4. The benchmark screen is displayed below - notice the buttons on the left side
 - a. Students may have access to additional tools such as highlighters, calculator, formula sheet, etc. They access these tools by clicking on the icon
 - b. Students requiring more than the allotted time, may click on **Save for Later** and resume the test during the next class period or when determined by the teacher
5. Students will click on **Turn in Test** when they have answered all questions (*be sure to have them check that all questions have been answered*)
